- Key Lock

SHARP
Be Original.

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

The ultimate in versatility, CookBridge provides flexibility for pans of all shapes and sizes. By simply combining two induction zones you can create an extra large zone for big pots and pans.

Simple yet effective, Sharp puts the most common cooking tasks at your fingertips, allowing you to boil, fry, melt chocolate and keep your food warm at the touch of a button.

Maximum power in seconds for a speed-up heating and a cooking time reduction.

Intuitive sliding controls allow you to select the power level easily.

Freeze time when you need to. Our Stop&Go technology allows you to pause and take that all important call when cooking, then press again to continue.
