Be Original.

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

Easily adjust the position of the door trays to suit your needs.

By using independent circulation systems for the freezer and fridge frost is prevented, as are odours from one section to the next.

When nothing but shiny will do, our anti-fingerprint coating helps keep your oven looking good as new.

Does your fridge fit in a perfect spot but never quite opens ideally? By switching which side the door opens your fridge becomes part of your kitchen not an obstacle.
