Superior efficiency, reduced noise levels and a longer lifetime are all delivered with the Advanced Inverter Motor making doing the laundry a pleasure rather than a chore.

By performing an additional hot rinse at the end of the cycle this removes soap residue that can affect those with sensitive skin. Because clean clothes should sooth, never itch.

Endorsed by Allergy UK this special program removes selected allergens and bacteria from the wash taking care of both your clothes and your family.

Washing Machines are not just about getting clothes clean but also looking after them to give them a longer life. The Bubble Drum is designed to be as kind to your clothes as possible while still getting them brilliantly clean.

Say goodbye to those strange laundry smells. This high temperature wash will kill bacteria and leave you drum smelling fresh and looking clean

Off peak energy tariffs make things cheaper to run. The Eco Timer lets you tell the machine exactly when you want it to be active saving you on energy bills.
