SHARP
Be Original.

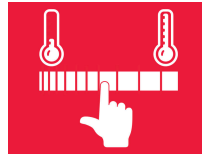

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

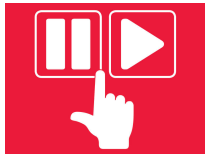

Simple yet effective, Sharp puts the most common cooking tasks at your fingertips, allowing you to boil, fry, melt chocolate and keep your food warm at the touch of a button.

Effortlessly prepare all your favourite dishes with our Induction hobs, offering rapid heating, so you can heat all your pots and pans faster.

Intuitive sliding controls allow you to select the power level easily.

Freeze time when you need to. Our Stop&Go technology allows you to pause and take that all important call when cooking, then press again to continue.

Ideal for multi-cooking. So whether it's boiling, frying or sauteeing, you can set individual timers to switch off automatically.
