SHARP
Be Original.

Superior efficiency, reduced noise levels and a longer lifetime are all delivered with the Advanced Inverter Motor making doing the laundry a pleasure rather than a chore.

Program your dishwasher so that it starts at a time that suits you.

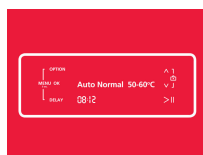

At the end of the machine's program the Autodoor allows for quicker and more efficient drying by opening to release steam.

When time is of the essence this program does the dishes in 50 minutes at 60°C.

When you have to fit every dish, glass, fork and pot into one load these machines can cater to even the largest of families or dinner parties.

Sharp machines like to keep you informed of everything that is going on within them with an easy-to-read set of displays.
