- Keep warm function

SHARP
Be Original.

Designed to clearly indicate the selected operation that's in use.

This ensures that all slices are perfectly toasted whatever the size.

This toaster offers a defrost setting to make sure you don't have to wait too long for your breakfast!

This feature allows you to pick up bread easily.

Left your toast to go cold? Don't worry, this toaster can reheat it.

Have toast your way with our browning levels function that has 7 adjustable temperature settings.
