Be Original.

Our slow juicer is made up of fewer parts making it easier to disassembly and clean, so you can spend more time juicing than cleaning.

Make everything from ice cream to rice cakes with this multi-use slow juicer.

Designed to extract the maximum amount of juice preserving vital ingredients like fibre and microelements.

You can enjoy the silent sound of juicing thanks to our slow speed feature that ensures the juicing process is quiet.

This technology uses a natural way of juice extraction that decreases oxidation and improves juice quality.
