- LED Countdown Display
- Drum Light

SHARP
Be Original.

With an 8kg capacity, this machine is ideal for big families, and households with pets.

SHARP Tumble Dryer considers safety first. With the 8 Sensor Technology, SHARP offers you the safest Tumble Dryer ever. Everything is under control with this technology.

The drum light ensures perfect visibility whilst you load and unload your laundry.

Skip more of the programming work and let the machine automatically set the ideal temperature and duration for your cycle.

Tumble Dryers are not just about getting clothes dry, but also about looking after them. The Bubble Drum is designed to be as kind to your clothes as possible while still getting them brilliantly dry.
