- Active Drying
- 12 L Water Consumption

SHARP
Be Original.

Program your dishwasher so that it starts at a time that suits you.

Keep your children safe from accidentally using the microwave with the easy to set up Child Lock.

For those times when you only have half a load but need it done the Eco Wash allows you to select either the top or bottom half of the machine to be cleaned.

When time is of the essence this program does the dishes in 50 minutes at 60°C.

When you have to fit every dish, glass, fork and pot into one load these machines can cater to even the largest of families or dinner parties.

Sharp machines like to keep you informed of everything that is going on within them with an easy-to-read set of displays.
