to extend the reach and make cleaning comfortable

- Vertical parking position - ergonomic design
- Removable lithium-ion battery

Two additional nozzles in the set will make it easier to clean hard-to-reach places such as any corners or elements of upholstered furniture. The flexible bristle of the 2-in-1 nozzle easily and efficiently removes dust and dirt.

It has been designed to collect animal hair, hair and dust from floors, carpets, along walls and furniture edges. Thanks to the LED lighting, you won't miss anything, while the appropriate profiling of the brush protects furniture, walls and thresholds from damage.

High quality 24V lithium-ion batteries Easy of battery exchange Possibility of extension operation time up to 120 min with additional battery (sold separately by authorised service partner).

Not only does it protect the motor from dust particles, but it also keeps pollen, mite faeces and bacteria inside the dust container. The EPA E12 filter captures 99.5% of harmful particles. When necessary, you can wash it under running water or replace it with a new one.

You can easily adjust the length of the tube to your height and set it at one of the seven levels of adjustment from 890 to 1100 mm. You can also set the length of the tube to thoroughly clean all hard-to-reach places. Easy cleaning corners under the ceiling with the telescopic tube with the click-type mechanism the device and accessories are firmly connected when in use.

The vacuum cleaner does not need a stand and will remain upright wherever you leave it. You don't need to bend down to grab it every time you want to take a break from cleaning. The standing position also makes it easier to store the vacuum cleaner in a wardrobe or a closet. If you prefer, you can hang the device on a special wall-mounted holder.
