SJ-EX770P-SL

Highligths

- Energy Class G
- Silver
- 892X771X1720 (WxHxD)[mm]
- Hybrid Cooling System (hybrid panel)
- 556 Ltr Fridge Capacity
- 345 Ltr Freezer Capacity
- Electronic temperature control
- J-Tech Inverter
- Plasmaclsuter Ion System

• OdourNeutral

This smart little device cleans the air as it flows over to remove any nasty smells that may be lurking in your fridge. No more wafts of strong cheese to stink out your other food.

If your fridge door is left open too long it will let you know, saving your food and your energy bills.

When you go on a break so does your fridge. Holiday Mode allows your fridge to use less energy while running at a constant ten degrees.

By cooling the fridge from the rear panel of the Hybrid Cooling System food is not exposed to direct cold air meaning it is cooled gently. Say goodbye to dried out vegetables.

Get your fridge and freezer cooler quicker all by using less energy and a quieter system for as little interference in your home as possible.

No one wants a smell to creep from the fridge to the freezer, this makes sure that doesn't happen. Your ice cream is safe from your cheese.
