Helps prevent fingerprints, keeping your fridge looking shiny and new

### GlassDoor

The attractive glass design fits perfectly in today's modern kitchen. The high-quality, safety glass fronts are treated to be super tough

# Longer Freshness

AdvancedNoFrost

OdourNeutral

Two independent and dedicated cooling systems maximizes cooling and freezing results, ensuring frost free compartments whilst also stopping any mixing of odors.

GentleAirFlow

Maintains the fresh texture and taste of food by preventing any humidity loss in the fridge compartment.

# ZeroDegree Zone

Creates the optimum conditions for storing fresh meat and fish for longer.

# Fruit&Veg Zone

Ideal for storing fruit and vegetables keeping them fresh and crisp.

E-filter technology helps to remove ethylene gas (a bioproduct released naturally from fresh foods) and unpleasant odors from the crisper. In this way, food stays fresh for a longer time.

## Sharp Home App

Thanks to Sharp Home App, it is now much easier to do daily routine tasks! You can control and monitor the devices and use smart functions. Sharp connected products and Sharp Home app are working together to make life more comfortable.

**Remote Control:** Sharp Home App connects you to the Sharp products. You can manage

and monitor your smart devices easily anytime from wherever you are.

**Notifications:** The app sends notifications to you about the program status and device/usage errors. For instance, “The cooking program finished” information invites you to enjoy your meal, and the “The refrigerator door is open” message reminds you to close

Please check the WiFi icon for smart availability for each product.

the door in order to minimize energy losses.

**Delay Timer:** It helps you to plan your daily routines. The devices will work according to your pre-arranged settings. Set the time and let the app manage the devices.

**Recipes:** You can discover various recipes from local to fusion cuisine.

**Demo Mode:** Even if you don't have a Sharp

product, you can still experience Sharp Home App through demo mode. Try and see how the app is designed helpfully!
